ABOUT OFFICERS' TERMS.

Attorney General Godard on Sheriff's Asst. State Supt. Little Talks to Inand Treasurer's Terms.

Attorney General Godard announced under the biennial law decision, ex- at the chapel exercises. cept where vacancies will be made He said in part, "Nothing exceeds by the second term limitations of the the importance of the rural teacher. state laws. Mr. Godard replying to The city schools are well cared for. an inquiry made by County Attorney The problem before use is that the J. H. Danna, of Independence, set rural schools may be provided with a forth these opinions:

under the biennial election law not of educational advantages for the decided by the supreme court, I de- boys and girls of Kausas. I hope the sire to say that I have reached a con-time will soon come when you counclusion on these subjects which is try boys and girls may have the opsatisfactory to myself, but I am aware portunities of a graded school system that the supreme court may take a and perhaps a combined district school different view of the situation and it, like that of Ohio, giving high school will in all probability require a de- advantages." He expressed entire clsion or decisions of that court to satisfaction with work in the institute Allen (who had in the meantime settle these questions.

"County officers now in office will ing or after roll call be considered

continue to hold their offices without lardy. re-election or appointment during the ensuing year, except in cases where sheriffs and treasurers are now filling cussed in Prof. Rose's room. A comtheir second terms. As to other bination of the phonic, object and can be filled by appointment except superior to the old plan. in case of death, resignation or removal.

"Where sheriffs and county treasurers are filling their second terms, vacancies will arise immediately upon the expiration of those terms which must be filled by appointment, and to which app-intment the present incumbents are not eligible.

"It is my judgment that sheriffs and treasurers now holding their first terms will not be eligible for a second term if they continue to hold the oftice during the ensuing year.

"While the title of the law is broad enough to cover all county officers, except county commissioners, the body of the act seems to restrict its application to the officers named, and therefore it does not in my judgment affect the election of county high school trustees."

Farmers' Institutes.

The Kansas State Agricultural college held over 100 Farmers' institutes during the past summer. These summer institutes were unusually successful. The attendance averaged 530 per institute. The college force 530 per institute. The college force is ready July 1 to take up the work in Farmers' institutes this summer thing on the place that would tend and has the funds for holding 150 to remind him of his late lamented and has the funds for holding 150 to remind him of his late lamented Hawesville, Ky. meetings.

The college sends two speakers to each institute, paying all their expenses, and also prints the programs and posters for institutes without few days in town watching the coucharge. The farmers holding the atruction of the foundation for the institute put up the posters, push the advertising, furnish a place for holding the meeting and present papers tions commissioners the county has and addresses for half the program.
